PILLSBURY,

America's Champion.

Chess and Checker Player
Visited Akron.

Wonderful Exhibition,
Test of Memory.

Champion Defeated All Comers
at Chess.

M. P. Falor, the Only Player to win
Victory at Checkers.

America's greatest chess player, Mr.
H. N. Pillsbury, gave a wonderful
exhibition of his skill in Liedertafel
hall Saturday night. It was the first
tournament of the kind ever given
in this city and it succeeded in arous-
ing a great deal of interest in the
game, which for so long has remained
inactive. The appearance of Mr.
Pillsbury in this city is due to the ef-
forts of the Akron Chess club recently
organized in this city. The club now
has a membership of 30 and 13 new
members will join at the next meet-
ing. The club is negotiating for new
rooms in the Walsh block.

Mr. Pillsbury's first exhibition was
what is technically known as the
"blindfold" act. The champion sat
upon the stage with his back turned
to his opponents. Eight games of
chess and four games of checkers
were played. Mr. Pillsbury displayed
a remarkable memory by keeping in
his mind the exact situation of the
players upon the several boards. The
players were William Hassenteufel,
Albert Kraft, George Forwick, Frank
Fieberger, Henry Kraft, V. D. Em-
mons, J. E. Fischmiller, P. A. Link-
ert, chess, and H. O. Newcomb,
Abraham Eberly, F. J. Mischler and
M. P. Falor, checkers.

After a dozen opening moves had
been played, the "blindfold" exhibi-
tion was ended and Mr. Pillsbury
joined in an open game with 24 play-
ers. The champion moved quickly
from table to table and made his
plays rapidly.

Besides those already named the
following participated: A. Ruhl, J. A.
Warman, C. Ruhl, Simon Herz,
E. S. Oviatt, J. W. Kelly, E. Kraft,
Lee Kraft and Frank Craus, chess,
and J. Griffin, Homer Bass and D. C.
Montgomery, checkers.

The chess players were all defeated.
Messrs. Newcomb, Eberly, Bass and
Mischler played to a draw, while Mr.
Falor succeeded in winning a game
of checkers from the champion.

In May, Mr. Pillsbury will meet the
world's greatest players in an inter-
national contest in Paris.

THEORIES ABOUT FOOD.

Also a Few Facts on the Same
Subject.

We hear much nowadays about
health foods and hygienic living, about
vegetarianism and many other fads
along the same line.

Restaurants may be found in the
larger cities where no meat, poultry or
coffee is served and the food crumb is
in his glory, and arguments and theo-
ries galore advanced to prove that meat
was never intended for human stom-
achs, and almost make us believe that
our sturdy ancestors who lived four
score years in robust health on roast
beef, pork and mutton must have
been grossly ignorant of the laws of
health.

Our forefathers had other things to
do than formulate theories about the
food they ate. A warm welcome was
extended to any kind from bacon to
acorns.

A healthy appetite and common
sense are excellent guides to follow in
matters of diet, and a mixed diet of
grains, fruits and meats is undoubtedly
the best.

As compared with grains and vege-
tables, meat furnishes the most nutri-
ment in a highly concentrated form
and is digested and assimilated more
quickly than vegetables and grains.

Dr. Julius Remmon on this subject
says: "Nervous persons, people run
down in health and of low vitality
should eat meat and plenty of it. If
the digestion is too feeble at first it
may be easily corrected by the regular
use of Stuart's Dyspepsia Tablets after
each meal. Two of these excellent
tablets taken after dinner will digest
several thousand grains of meat, eggs
or other animal food in three hours,
and no matter how weak the stomach
may be, no trouble will be experienced
if a regular practice is made of using
Stuart's Dyspepsia Tablets because
they supply the pepsin and diastase
necessary to perfect digestion, and ev-
ery form of indigestion will be over-
come by their use."

That large class of people who come
under the head of nervous dyspepsies
should eat plenty of meat and insure
its proper digestion by the daily use of
a safe, harmless digestive medicine like
Stuart's Dyspepsia Tablets composed
of the natural digestive principles, pep-
sin, diastase, fruit acids and salts,
which actually perform the work of di-
gestion. Cheap cathartic medicines,
misquandering under the name of dys-
pepsia cures are useless for indigestion
as they have absolutely no effect upon
the actual digestion of food.

Dyspepsia in all its many forms is
simply a failure of the stomach to di-
gest food and the sensible way to solve
the riddle and cure the dyspepsia is to
make daily use at meal time of a prepa-
ration like Stuart's Dyspepsia Tab-
lets, which is endorsed by the medical
profession and known to contain active
digestive principles.

All druggists sell Stuart's Dyspepsia
Tablets at 50c for full treatment.

MERZ,

Democratic Nominee.

Was Elected Councilman
In Fourth Ward.

Received More Than Two-
Thirds of Votes Polled.

Fourth Ward Voters Endorse
the Administration

Of Municipal Affair by the Demo-
cratic Party.

John Merz, the Democratic candidate
for council at the special election held
in the Fourth ward Saturday to select
a successor to Frank H. Thompson, de-
ceased, was elected by a majority of
\$14 votes over his Republican oppo-
nent, Wm. A. Dunn.

There were 1,000 votes polled. Of
this number Merz secured 702 and
Dunn 388.

The vote by precincts was:
Merz—A, 120; B, 181; C, 146; D, 224;
E, 101. Dunn—A, 81; B, 103; C, 94; D,
36; E, 74.

This is a glorious victory for Demo-
cracy. When Mr. Thompson was elected
last spring 1800 votes were polled,
and the Democratic candidate received
a majority of 209. On Saturday,
there being but 1,000 votes polled, and
Mr. Merz receiving more than two-
thirds of the number, the result is
nothing but significant of the popu-
larity of municipal government by the
Democratic party.
